1. Introduction and aims

At Court Schools we recognise that mobile phones and similar devices, including smartphones, are an important part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Promote safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage

Court Schools Mobile Phone Policy

- Appropriate use of technology in the classroom

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices.

2. Relevant guidance

This policy meets the requirements of the Department for Education's non-statutory [mobile phone guidance](#) and [behaviour guidance](#). Further guidance that should be considered alongside this policy is [Keeping Children Safe in Education](#).

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are responsible for consistently enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The headteacher is responsible for monitoring the policy every 2 years, reviewing it, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

4. Use of mobile phones by staff

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone, while learners are present unless agreed in advance with a member of the strategic leadership team. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 01392 494919 as a point of emergency contact.

4.2 Data protection

Court Schools Mobile Phone Policy

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard). More detailed guidance on data protection can be found in the school's Data Protection Policy and ICT Acceptable Use Policy.

4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but aren't limited to:

- To use multi-factor authentication
- Supervising off-site trips
- Supervising residential visits

More detailed information is available in the Educational Visits Policy.

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via a school mobile.

4.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet

Court Schools Mobile Phone Policy

- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct.

4.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

5. Use of mobile phones by pupils

Pupils should not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes.

- Staff will collect mobile phones on arrival.
- Mobile phones will then be kept in a secure location until the end of the day.
- If a learner wants to contact parents, they will be able to ask permission and if agreed, make calls from the school office.
- Mobile phones will be returned at the end of the day.
- Communication will be made with parents if learners refuse to hand in their phone and discussion and steps to take to support learners to be able to hand in their phone.

5.1 Use of smartwatches by pupils

- Staff will ask learners to remove their smartwatch if they receive notifications from their mobile phone.
- Parents will be contacted asking them to support their young person to disconnect their mobile phone and smart watch with regard to receiving mobile phone notifications such as calls and texts.

5.2 Exceptions for special circumstances and for sixth-form pupils

The school may permit pupils to use a mobile phone in school, due to exceptional circumstances. This will be considered on a case-by-case basis. To request such permission, pupils or parents/carers should contact the school office who will discuss the request with the strategic leadership team and then contact parents/ carers of the school's decision.

Any pupils who are given permission must then adhere to the school's Acceptable Use Agreement for Mobile Phone Use (see appendix 1).

Year 11 and sixth-form pupils are allowed access to their mobile phones during lunchtime if parents and the headteacher are in agreement that the learner can independently leave the

Court Schools Mobile Phone Policy

school site, to reflect their increased independence and responsibility, but must not compromise our policy on the use of mobile phones for other pupils.

Misuse of mobile phones by pupils in year 11 and sixth form will lead to sanctions according to our behaviour policy.

5.3 Sanctions

If a pupil is in breach of this policy the following sanctions may be applied:

- Mobile Phone confiscation (Schools are permitted to confiscate phones from pupils under [sections 91 and 94](#) of the Education and Inspections Act 2006)
- A member of the leadership team will inform the learner and parent/ carer of the length of confiscation and how the mobile phone can be returned to the learner.
- Staff have the power to search pupils' phones in specific circumstances, as set out in the [DfE's guidance on searching, screening and confiscation](#). The DfE guidance allows the search a pupil's phone if there is a good reason to do so (such as having reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause harm to another person).
- If a member of the school community believes that a mobile phone has been used inappropriately it should be reported to the DSL or a member of the Safeguarding team. The DSL or DDSL will make a decision as to whether the disclosure warrants the searching of a mobile phone. A learner's parent/ carer will be informed if this decision is made.

Sanctions will be reasonable and proportionate. The school will also consider whether:

- There are any relevant special circumstances (for example, age, religious requirements, special educational needs, disability)
- The pupil's behaviour may indicate they may be suffering, or at risk of, harm. If this is suspected, staff will follow the appropriate procedure set out in Part 1 of [Keeping Children Safe in Education](#)

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair)
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in and around school for any other purpose.

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

7. Loss, theft or damage

Pupils bringing mobile phones to school must ensure that the phones are appropriately labelled and are handed in when entering the school grounds.

Pupils must secure their mobile phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

Learners and parents/carers will be made aware of the disclaimer above by:

- Including disclaimers in our permission forms which are renewed annually.
- Shared on the school website.

Confiscated phones will be stored in a secure location.

Lost phones should be returned to the school office staff. The school will then attempt to contact the owner.

8. Monitoring and review

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority and any other relevant organisations

If there are any concerns regarding this policy, these should be brought to the attention of the school DSL in a timely manner.
